# The Big Picture 1967-68

The artists brush must capture many moods to draw the picture of a year in WHS. It must portray people-happy, bright, anxious, worried; it must portray events — speech meets, parades, bonfires, dances; it must depict games and contests — football, basketball, golf; and it must depict the classroom — exciting, tedious, and rewarding.

Mrs. Hallin:

It's really taken a great person to be a marvelous teacher as well as a good friend to her students. You have every quality I could ever hope to have. I want to thank you for just being "Mrs. Hallin" always there when needed. I've learned so very much this year and I can't thank you enough for all the help you've given me. I consider it a privilege to have you as my friend and Teacher. Good luck always and may your fondest dreams come true! God bless you.

Love,
Debbie Martin

(P.S. Hey - one of those "fondest dreams come true" just might be that adventure trip to California that you told us you wished to take. Ha!)

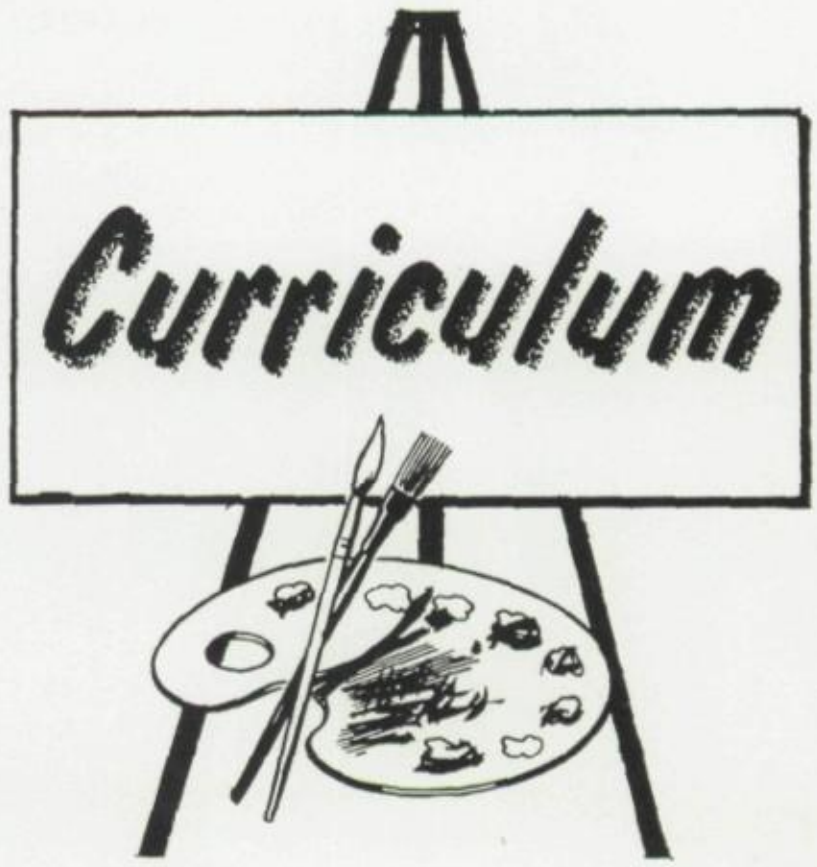
Mr. Carl Roblyer

# Dedication

To Mr. Roblyer whose wisdom keeps the composition of our picture in the proper perspective and whose patience and understanding makes our participation in the picture enjoyable and rewarding, we dedicate this book.

The main purpose of the school is to provide each student with a good education. The achievements of former students attest the excellence of W.H.S. This is a difficult picture to show in our yearbook. Second effort on the football field makes a great picture, but the second effort required to understand a Shakespearian sonnet or the valances in chemistry cannot be caught by the camera.

Classes and study comprise the biggest part of our school day; a wise administration and competent teachers make the curriculum inviting and challenging.



# Administration Works Toward High Goals

**MRS. EDWARDINE MINER** is the secretary to the Principal. She is a great help to students and faculty.

**MR. CARL ROBLYER** is serving his fifth year as principal. During this time he has maintained high academic standards and encouraged students to particiapte in all school activities.

**MR. LLOYD POWERS** has been with the Wewoka schools for eight years, serving as high school principal for two years and school superintendent for six years. Under his leadership our school has progressed in every field. Two innovations that Mr. Power initiated are a full time kindergarten and team teaching in a modern elementary school.

**MRS. VESTA DENNIS** and Mrs. Shirley Hill work long hard hours in the superintendent's office. Their chores encompass all school business—from payroll to paper clips.

# Business Classes Develop Skills

Many students who have completed business courses step out of high school into good jobs. Others use these skills for summer employment or part time jobs at college. Two years of typing, bookkeeping, shorthand, and general business are offered students.

Typing instruction stresses speed and accuracy as well as many forms of business typing.

Shorthand is essential to a business career, but it also attracts college preparatory students who will find it useful in taking notes.

Bookkeeping trains students to understand and keep the records and books of all types of business.

**MRS. ADELIA KILCREASE** teaches shorthand, bookkeeping, and typing I and II. Mrs. Kilcrease has a Master of Teaching degree from East Central State College.

**BESIDES HIS COACHING** duties, Mr. Secrest teaches one class in typing and two classes in general business. Mr. Secrest has a masters degree from Oklahoma State University.

**BOOKKEEPING REQUIRES** much concentration and attention to detail. Glenda Barrett's balance is off two cents.

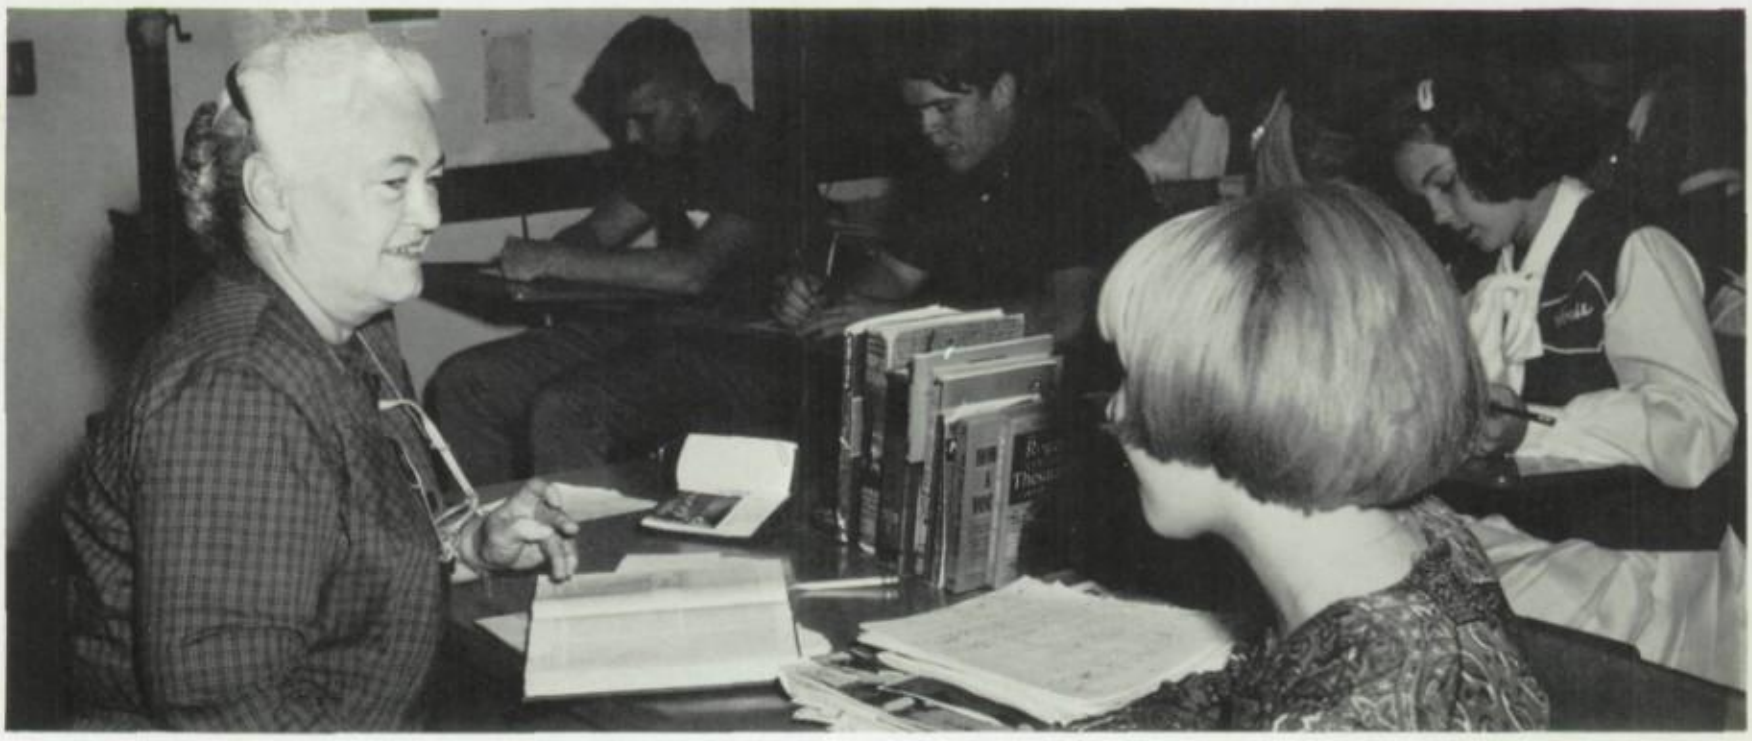
# English Needed in All Studies

Algebra, history, science, shop — all require an understanding of English. All students are required to take English each year.

**MRS. LENA YANDELL,** who holds a masters degree from Oklahoma Universtiy, teaches senior English. This class combines the study of English literature and composition. Students are also required to do a research paper.

**INDIVIDUAL ATTENTION** is stressed in all English classes.

**MRS. JOAN LIGON,** who holds a masters degree from Oklahoma University, teaches all the juniors English. American literature is studied in depth and the students continue their study of composition with emphasis on the paragraph. Expository writing is stressed the junior year although some creative writing is attempted.



**BOOK JACKETS** aid students in selecting their outside reading.

**MRS. MILDRED HARGROVE,** sophomore English teacher, holds a M.S. degree from Oklahoma State University. Stressing the sentence as the basic unit of expression, Mrs. Hargrove prepares the students for further writing. The short story, novel, essay and poetry are also studied.

**MRS. BIGGERS,** who holds a masters degree from Oklahoma University, teaches all the Spanish classes. Spanish I emphasizes pronunciation and conversation. Second year Spanish stresses writing and grammatical finesse. Third and fourth year classes are conducted in Spanish with literature of Spanish and Latin American classes provided. The newspaper **Hoy Dia** adds interest.

# Foreign Language Vital In Shrinking World

**FOUR YEARS OF SPANISH** are offered students. At all levels the culture of the people is stressed. Students are prepared for advanced study in Spanish or for launching into another language.

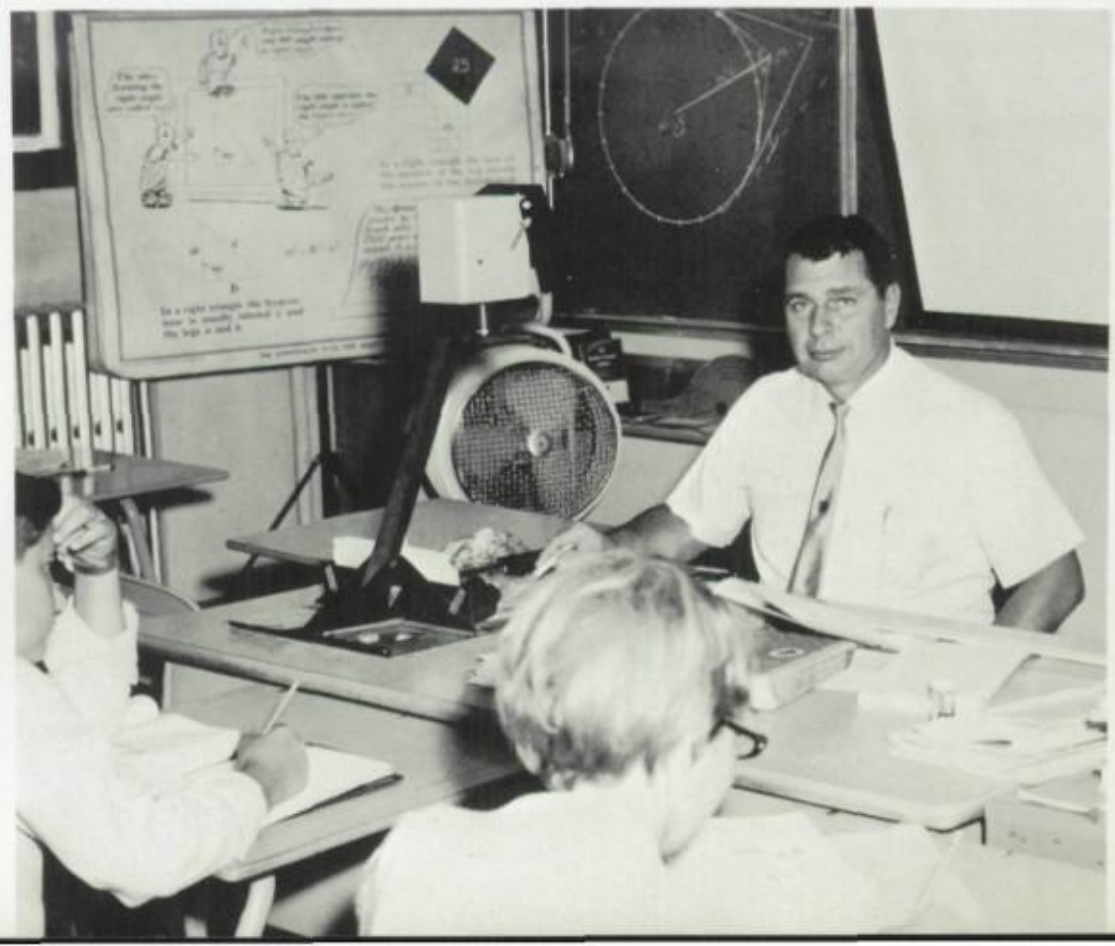
# Math and Science Important Studies

Biology, chemistry and physics are the three phases of science offered at WHS. Biology is a required class while chemistry and physics are elective classes.

**MRS. NEVA CHELF,** who holds a master of science degree from Oklahoma State University, teaches all the science courses. Mrs. Chelf encourages individual projects in all classes.

Algebra II, solid and plane geometry and trigonometry are math courses offered students. In Algebra II, students take up quadratic equations, roots and radicals, and fractional equations. Basic principles of solid and plane geometry are stressed in those classes. Trigonometry is a semester course dealing with functions of angles, triangles and figures using logarithms.

**MR. BILL GIBBS** who holds a masters degree from West Texas State College teaches all the math courses. Mr. Gibbs states that all classes now use the new math.



# Social Studies Present World Problems

"I have but one lamp by which my feet are guided, and that is the lamp of experience. I know of no way of judging of the future but by the past."

These words of Patrick Henry spoken on March 23, 1775 in the Virginia Convention are still appropriate to today's history student.

The problems of the twentieth century cannot be isolated from conditions of the nineteenth. American history and problems in democracy classes strive to understand today in the light of yesterday.

World history classes study the cultural and political advancement of civilization.

**MR. BILL JACKSON,** who has a B.S. degree from Central State College, teaches world history. Mr. Jackson also teaches problems of democracy, government, and is assistant football coach.

**MRS. ANNETTE MYRICK,** with a B.A. degree from East Central State College, keeps her classes up to date on current events by the frequent use of newspapers.

**STUDENTS IN HISTORY** consult maps often to understand the many changes in our fast moving world.

# Music Enriches Curriculum

Music is the major interest of many students. Although vocal music students are enrolled in Mixed Chorus, they get much experience in solo and small ensemble work. Much of the work is done after school.

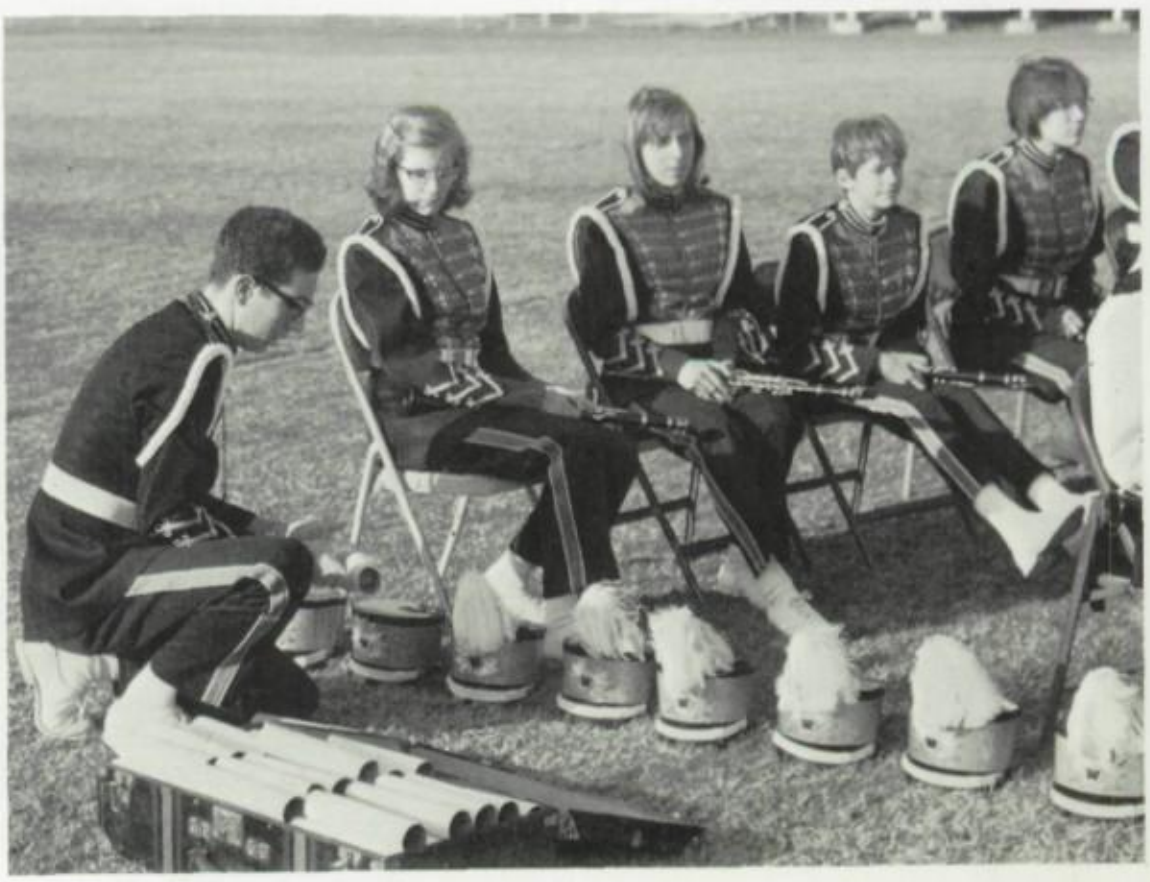
Instrumental music students also work from dawn 'til dark. Mr. Cook stresses individual accomplishment.

A class in music theory interests the serious musicians.

**MRS. RITA VINSON,** who obtained a master of education degree from the University of Oklahoma, teaches vocal music. Students attend various contests and have won many high honors.

**TEACHING BAND** in the school system is Mr. Chelsea C. Cook. Mr. Cook, with a B.S. and a M.S. from Central State College, teaches all the band in high school, junior high and in elementary school.

**IN PREPARATION** for the traditional halftime show, the Tiger band members pass out plumes.



# Speech Stresses Communication Skills

Two years of speech and a course in debate are offered students. Speech I classes help students gain self-confidence in informal and formal speaking. Throughout the year the beginning students learn radio broadcasting, discussion techniques, and impromptu speaking.

Speech II classes further develop skills that the students learned the first year. Drama, make-up, and costume are also taught.

Debate stresses not only the logical development and organization of argument, but the skills of extemporaneous speaking.

**MRS. GRACE MUIR** who holds a bachelors degree from Phillips University teaches all speech and drama courses.

**WINNING THE SWEEPSTAKES** trophy at the OBU tournament was a big thrill for speech students. Drama students bagged the one act play trophy at this contest.

**DEBATE** requires many hours of research.

**YOU CAN'T TAKE IT WITH YOU** was the first play of the year. Play goers loved the zany comedy.

# Shop And AG Develops Skills

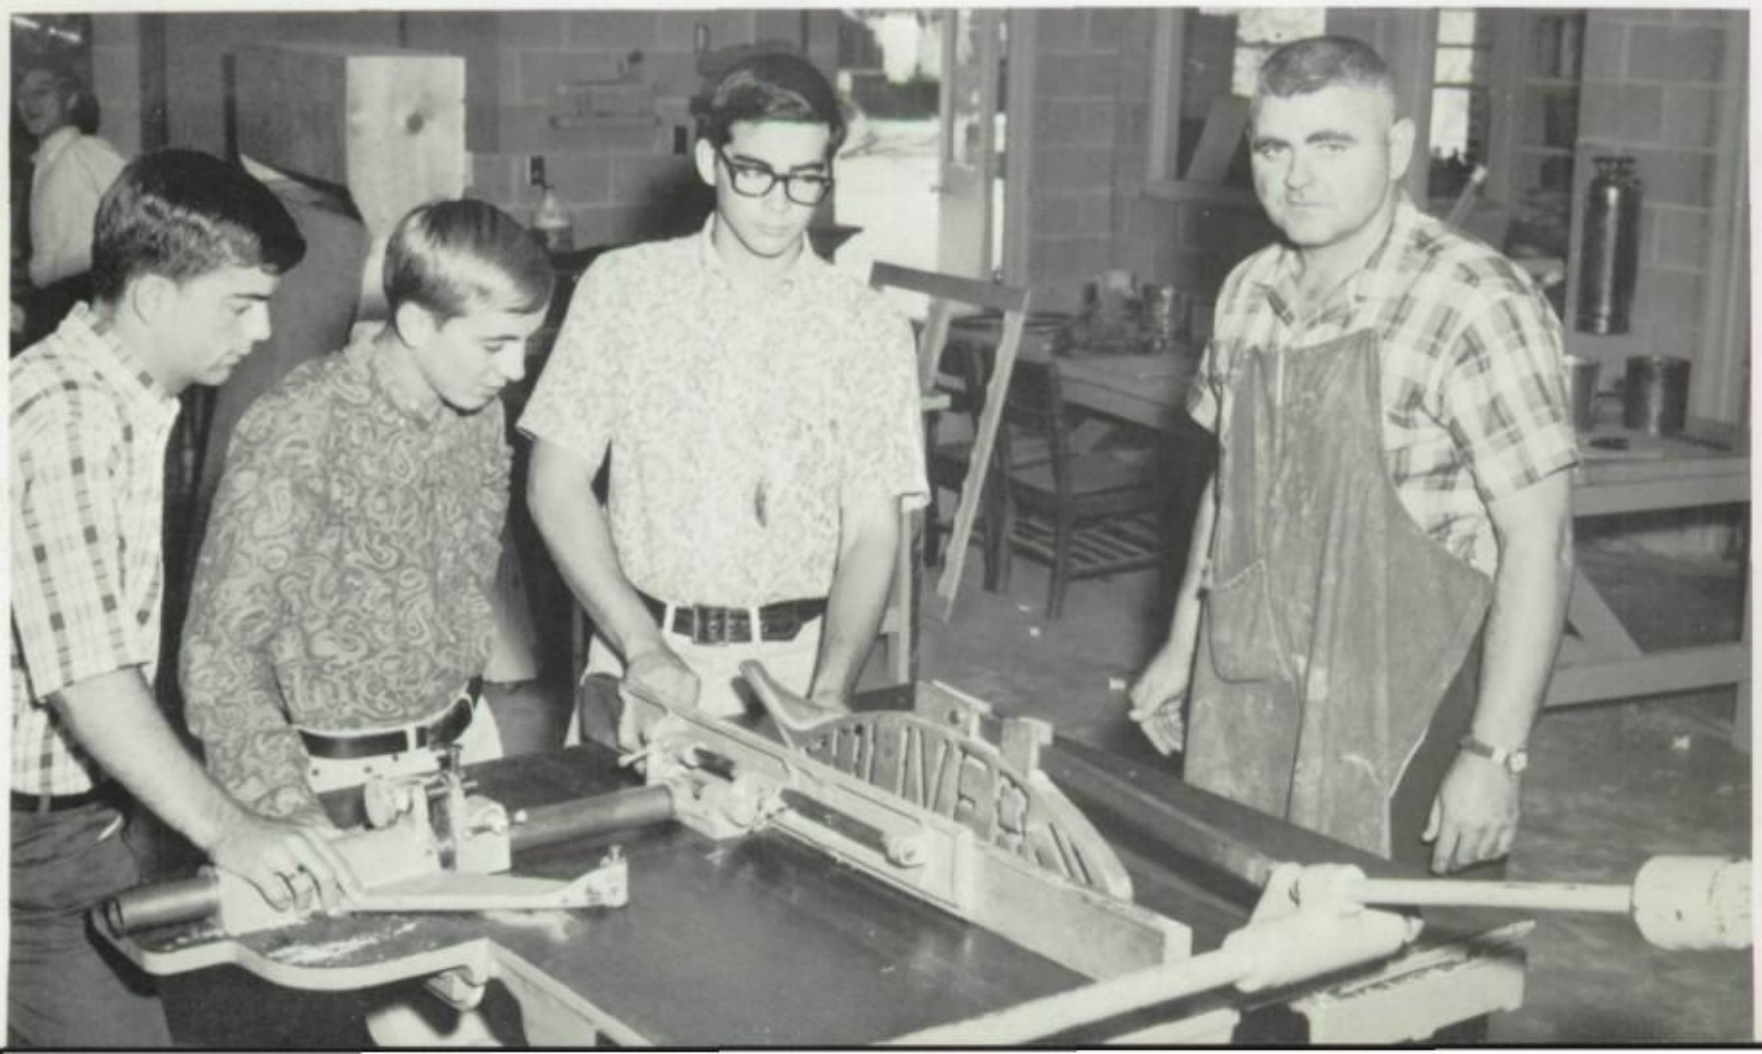
**MR. CLIFFORD CHRIST,** Vocational Agriculture teacher has a masters degree from Oklahoma State University. Mr. Christ and his Ag boys are always involved in various projects.

Four years of Vocational Agriculture, four years of Shop work, and one year of mechanical drawing are open to boys.

Ag. boys look forward to County and State Fairs where they exhibit live stock.

The shop turns out many interesting and decorative items. This year, shop boys made shutters for the home economics room.

**MRS. EDWARD L. ADAMS** who teaches all shop and mechanical drawing has a Master Teaching degree from East Central State College.



# Girls Study Homemaking Art

Home economics stresses the skills necessary to homemaking. Besides sewing and cooking, girls study child care, family relations, and menu planning. Girls in fourth year home ec. tailor a suit or coat.

**MRS. EMILY LOLLIS** teaches all home economics. She has a Masters degree from Oklahoma University.

# Librarian And Counselor Helps Students

**MR. JOE LARIMORE** assumed the duties of counselor this year. He has a Master Teaching degree from Southeastern State College. Advising students about their high school credits and about college admission requirements has taken much of Mr. Larimore's time. He also administers all national tests given by the school.

**MRS. DOROTHY HAMILTON,** who has a Master of Science degree from Kansas State of Pittsburg, Kansas, is the librarian. This is Mrs. Hamilton's first year in Wewoka. She was assistant librarian at Panhandle A&M College. Mrs. Hamilton has made the new library a quiet and delightful place to study.

# Staff Performs Variety of Jobs

The men who maintain the grounds and buildings are constantly in demand. Besides the regular chores of cleaning and straightening, they must also keep the boiler in good repair and see that each room is a comfortable temperature. Keeping the lawn and parking lot in good condition and keeping the football field in tip-top shape are time consuming chores.

Summer time does not mean vacation time for the custodians; it is then that they paint walls and woodwork, repair furniture, and wax and polish everything to a sparkling shine.

**MR. PAUL HUTTON,** head custodian is a familiar sight in his panel truck. Mr. Hutton is the first one to be called when any trouble threatens.

**MR. COY WILLIAMS** retired the first semester. He had served WHS for thirteen years.

**THURMAN PITCHLYNN,** Elbert Crump, Bob Evans and E. J. Crump see that the high school building is tidy and comfortable.

**MRS. P. J. TUTTLE,** Mrs. Bruce Wheeler, Mrs. Jim Kelsey, Mrs. R. S. Thompson, Mrs. Goldie Kenny, and Mrs. Frank Watts plan and prepare the noon meal for elementary, junior high and high school students.

Music, drama, writing, farming, homemaking——no matter what the students' interest, he can find a place in the activity picture. Many activities are class related: Science Club, and FLC. Some are career oriented: FFA, FHA, FTA., and Library Club. Others are honorary: Thespians and Quill and Scroll. But, whatever the category, whatever the activity, the student and his school profit from his participation.

# S.C. Sponsors Katcu-tal

The spring talent show, Katcu-tal, requires year around work. Carol Dingler, Student Council Vice-President, is chairman of this event, but all council members are involved. Student Council also is responsible for all assembly openings, prayers at home football games, intramural basketball games, and after the game dances. SC officers are elected by the student body, representatives are electd by classes.

**SC SPONSOR** Mr. Bill Gibbs shows tiger head to vice-president, Carol Dingler; secretary, Peggy Campbell; treasurer, Rick Butner; and president, Darrell Hill.

**SC MEMBERS WERE** installed in an impressive candle light ceremony before the student body. The duties of the Council were explained so that students might better understand the council's function.

**ALTHOUGH RIVALS** in athletic and scholastic events, Holdenville students proved they were good neighbors by contributing fifty dollars to the "Merry Mary" fund—a fund for Mary Howard whose back was broken in an accident.

**THE TIGER MASCOT,** Kathy Katigan, pauses from an enthusiastic pep assembly for a drink of water. The mascot adds much to all sports events.

**EVERY CHEERLEADER** is required to attend a cheerleading camp in the summer. Our cheerleaders, Nancy Adkins, Jeary Smart, Lana Logan, Janice Tallant, Susan Cochran, Chris Aubrey, Mary Howard, and Jan Sarber say good-bye as they leave for camp.

Whether it is a warm night in October, or a cold night in January, you can bet that wherever our football or basketball team is, the Pep Club is there too.

Always ready to travel, they follow their team to Anadarko, or to Seminole, where they hurry to find seats and begin their yells.

They don't notice the cold or the rain, and never cease yelling until the final second ticks away.

When the game ends, the Pep Club continues their enthusiastic support of the team—win, lose or draw!

**CHORUS: Bottom Row:** Elaine Fuller, Barbara Renfro, Eloise West, Loretta Lucus, Lanell Page, Debbie Brock, Linda Sanders, Gilda Franklin, Nanette Evans, Augusta Kinney, Linda Gordon, Vernita Thompson. **Row 2:** Mickey Myers, Danny Wallace, Jackie Fuller, Carletha Murray, Brenda Moore, Peggy Cummings, Kathy Katigan, Martha Williams, Debbie Filson, Kitty Kelly, Mae Carolina, Mrs. Vinson. **Row 3:** Curtis Chapmen, Alroy Alexander, Clifford Bert, Danny Hair, Janet Hague, Barbara Palmer, Marry Worley, Gwen Jones, Judy Jones, Linda Washington, Rosetta Tolls, Ethel Dindi, Millie Blackshire. **Row 4:** Lloyd McComb, Curley Washington, William James, Dickie Gillion, Mary Ann Sawyer, Beverly Allison, Linda Cleveland, Kay Daniels, Ollie Starnes, Cindy Streat, Pat Alexander, Verge Ann Esque, Jenney Rogers.

# Chorus Attends Festivals

"Very good balance, diction and articulation," is the score given in the Chorus by Dr. Haynes at the Choral festival at Oklahoma University. The group had sung **Lord, My God, Show Mercy Unto Me,** by Guglulmi for the Clinicion; they also sang that Number as a part of an evening concert program.

At the Central State College Festival, the chorus sang six other numbers as well as the one used in the Norman Festival.

Christmas programs, and programs for A.A.U.W. and various meetings and conventions kept chorus members constantly working on new music.

**CHORUS OFFICERS ARE:** Janet Hague, secretary; Debbie Brock, librarian; Danny Hair, tour manager; Elaine Fuller, vice-president; and Jackie Fuller, president.

**MEMBERS OF THE BOYS QUARTET** included Danny Wallace, Danny Hair, Dwayne Vallandingham, and Mickey Myres.

**LANELL PAGE** Janet Hague, Danny Hair, and Mickey Myres (not pictured) are all smiles over the honor of becoming All-Staters.

**CLEANING BACK STAGE** was a major undertaking. Thespians used a precious Saturday morning to get costumes, props, and stage in apple pie order.

Thespian Society is a National Honorary Drama Club. Students must excel in acting of production before being accepted for membership.

Under the leadership of Carol Dingler Thespians put the back stage area in apple pie order. Although wielding mops, cleaning dressing rooms, and mending is not the best way to spend a Saturday, Thespians felt rewarded when they produced their first play.

**THESPIAN OFFICERS** are Marilyn Billingsley, treasurer; Chris Aubrey, secretary; John Cooper, vice-president; Carol Dingler, president; and Mrs. Muir, sponsor.

**CAROL DINGLER** expresses a strong emotion while rehearsing a one act play for contest.

**PEGGY CAMPBELL,** Debbi Chaney, Dinda Tate, Darlene Lester, Johnita Argo, and Connie Lewis are ready to twirl for any football game or Pep Assembly.

# Band Marches To A-I

The Lively beat of the "Pride of Wewoka" helped to set the musical pace throughout the year. In the fall, the marching band, in full dress, provided colorful and lively half-time entertainment for home games. The pep band added to Tiger Spirit for out of town football games and home basketball games. The stage band played for Katcutal and the Junior-Senior Banquet.

The band and mixed Chorus combined for a Christmas Concert and the band marched in the Christmas parade as well as the East Central Homecoming parade and the Henryetta Labor Day Parade.

Scoring A-I at State Contests is getting to be a habit with the band. This only underlines the competence that Wewokans have come to expect of their band—on the field and in the Concert Hall.

# Language Club Studies Many Lands

The Foreign Language club membership is limited to people who are currently enrolled in Spanish or have studied a language other than English for one year.

Two programs this year were of special interest. Former members Penny Stobaugh and Nancy Norman had visited last years AFS student, Nanny Temple in her home in Peru. The girls had many interesting stories of Peruvian customs and many artifacts of that country.

Steve Walker, senior, who spent his junior year as a Rotary exchange student in Sweden, also delighted the Club with his beautiful slides and fascinating stories of Scandanavian countries.

A Christmas dinner party featuring foods of many lands is the main social event for FLC.

**THE OFFICERS OF FLC** are Glenda Beshears, treasurer; Dinda Tate, president; Janet Hague, vice-president; and Loreta Burgess, secretary.

# Farmers Plant Grass for New School

County Fairs, State Fairs, Livestock Exhibits at various Colleges, and a pig sale that grossed the chapter $5321.50 made this an outstanding year for the Ag. boys.

The FFA sweetheart, Debbie Filson, reached the semi-finals in competition with other sweethearts at the State Fair.

**SHOWING A GRAND CHAMPION** is no new experience to FFA boys. Mike Filson, Mr. Christ, Jake Barker, and Chuck Thomas look on as Danny Alford gives the Champ a deserving pat.

They have made and filled ditty bags for fighting men in Viet Nam; they have filled baskets for the needy at Christmas time; and they always take goodies and visit with the old folks in the rest home at Christmas time. The state conference in Oklahoma City is the climax of the FHA year.

**HOSTING FIFTEEN FHA CHAPTERS** at the district rally was a big undertaking. In an impressive installation service officers administered the oath to their successors. Elizabeth Guild is retiring district president and Jeary Smart was installed as the new district vice-president.

**SCIENCE CLUB MEMBERS ARE: Bottom row:** Chris Aubrey, Linda Ledford, Cindy Hargrave, Patsy Sheffield, Peggy Campbell, Glenda Beshears, Peggy Cummings, John Copeland, John Cooper, Dick Cooper, Deborah Azlin, Larry Smith, and Mrs. Chelf. **Row 2:** Mike Harrod, Nick Altman, Carol Dingler, Debra Ensminger, Beverly Lemonds, Donna Ligon, Linda Ryles, Mike Secrest, Steve Walker, Ricky Butner, and Pat Miner. **Row 3:** Joyce McCoy, Joan Howard, Pat Cox, Frank Brown, Bob Stidham, Keith Campbell, Darrell Hill, Darrell Crittenden, Patricia Murray, Dinda Tate, and Tommy Hensly.

Football games, basketball games, tennis matches, golf tournaments and track meets are all in the '68 picture. Athletic competition builds strong bodies through exercise and strong character through self discipline.

Sports draw all the elements of the picture together; for when we yell for our Tigers, we yell with one voice.

# Seniors In Major Sports

**PAT MINER,** No. 11, scampers for a long gainage against the Sulphur Bulldogs.

Seniors supplied the quality and leadership of the Tiger athletic teams during 1967-68. Seniors were the backbone of the Tiger football team that finished the season with seven wins and two losses and second place in the 5-Star Conference. The Tigers placed four Seniors on the All-District Team. Pat Miner, Ricky Edwards, Buck Factor, and Darrell Crittenden were selected by the coaches of the 5-Star Conference. Crittenden was selected as district "Lineman of the Year." The Senior members of the team have a three year record of 24 wins, 7 losses and were members of the team winning the Class A State Championship.

The Tiger basketballers were also loaded with talent and leadership. Seniors again led the way with Ricky Edwards, Pat Miner, Don Wade, and Leaster Kemp supplying the punch of the suc-

The senior members of the team also boast of a highly successful three-year record. The Tigers have 36 wins and 9 losses to show for their first two years of high school basketball. They are currently, 5-2, and are leading the 5-Star Conference.

The track team has many fine athletes participating in its program. The senior members of the track team are Darrell Hill, Don Wade, Phillip Weston, Pat Miner, and Danny Alford. These seniors consistently place high in the meets they attend. The athletic year was dominated by seniors with quality, poise, and ability. These Seniors leave behind a fine record and a winning tradition.

# Tigers Have 7-2 Year

The 67 football season started with high hopes. With five starters from the State Champion team of '66, the Tigers seemed invincible. The string of fifteen straight victories, however, was snapped when the Tigers met the strong Pauls Valley Panthers. The only other loss for the year was to Holdenville, who went on to win the Conference Championship.

Four juniors were in the starting lineup with a Junior, Mike Secrest, as the starting quarterback.

Tigers displayed their condition by playing both offense and defense. Coach Secrest said that in the past three years the Tigers have posted twenty-four wins and six losses. This outstanding record has been achieved by team effort, great spirit, and a desire to win.

**PAT MINER,** Senior Halfback, lends a helping hand to his sophomore understudy, Bob Berg.

**No. 11. PAT MINER,** runs into a host of Seminole players after a 23-yard scamper. The Tigers went on to beat the Chieftains 14-0.

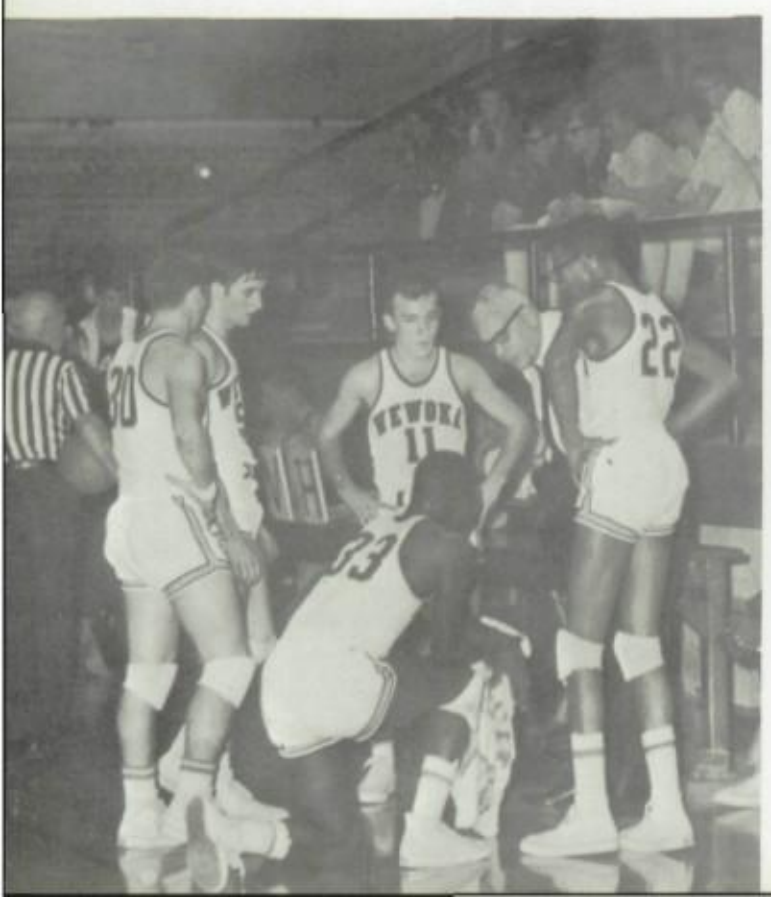
**MEMBERS OF THE A TEAM** are, **Bottom row:** Richard Emarthle, Melvin O'Guinn, Earl Carolina, Don Wade, Pat Miner. **Row 2:** John Purcell, Steve Nevener, Leaster Kemp, Darrell Hill, Mark Southerland, Coach Claude Kedy.

# Tigers Place High In Tournaments

The Tiger Round-ballers placed high in both the East Central and Northeastern tournaments. With victories over Clinton and Ada, the Tigers placed third at East Central.

From the Northeastern A and M tourney, the Tigers brought home a second place trophy with wins over strong Miami and Blackwell teams.

**COACH** Claude Kedy illustrates the game plan.



**MEMBERS OF THE B TEAM** are: Eugene Carter, Larry Churchwell, Earl Alford, Anthony Griffis, Edward Griffis.

# Tigers Win District Meet

A highly successful basketball season ended in regional tournament play when Pauls Valley squeezed by the Tigers by only one point. The regional berth was gained by a resounding defeat of the Holdenville Wolverines in district play.

The roundballers played much better than pre-season predictions indicated. "What they lacked in depth and size, they had double in spirit and determination," is Coach Kedy's appraisal of the '68 squad.

# Spring Sports for Fun and

**RONALD NOTAH** diligently lifts the weights in order to keep in shape for football.

One thing an athlete learns early is that practicing and conditioning are never ending. The football player must train every day. Weight lifting, pole vaulting, jumping the hurdles, distance running, and short, fast sprints keep muscles ready to meet any challenge, all football players keep in shape by doing these things the sixth period of every day after the fall competition.

**DAVID HAYES** and Mel Clark press weights at the start of their weight lifting program.

# Training

With the first warm days of late winter or early spring, the tennis courts lure many students to action.

Tennis is a fun sport; novice and skilled player alike vie for playing time on the courts.

**FOUR** of this season's participants in tennis are Peggy Campbell, Bob Berg, JoAnn Wilson, and Rick Fairbanks.

# "W" Club Mans Concession Stand

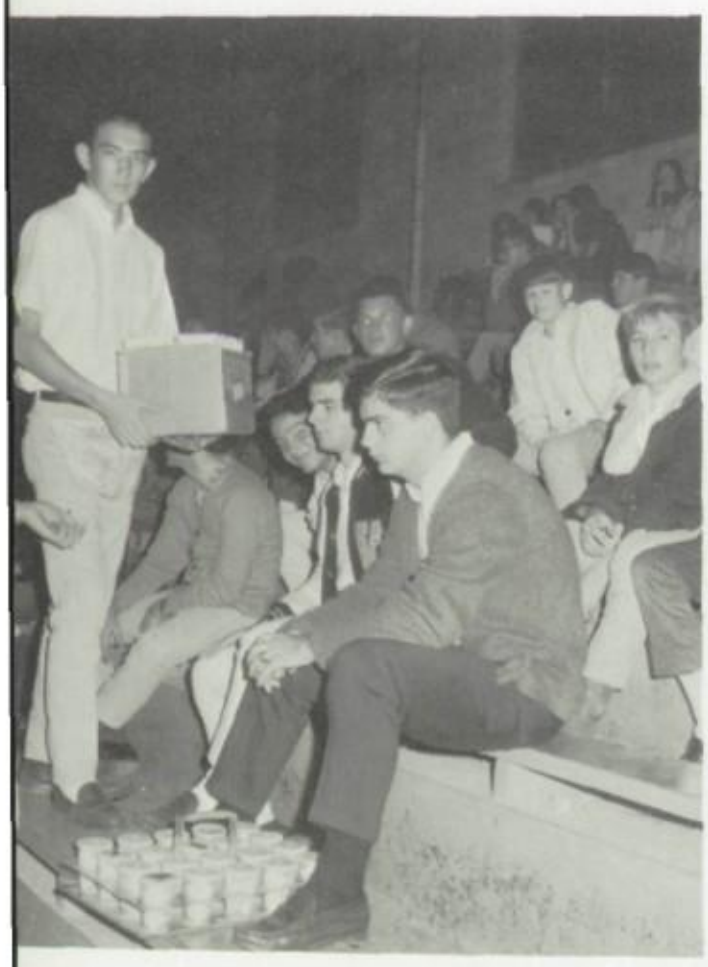
"W" Club is an honorary group of athletes who have lettered in at least one sport. The best part of the year is the annual trip at the end of the year with funds furnished by incoming pledges, and "W" club sponsored concession stands at basketball games.

Another "Fun" part of the year, for the members, is the initiation of incoming pledges.

**DARRELL CRITTENDEN,** Bobby Stidham, Jimmy Alison, Ronald Notah, and Steve Walker man the concession stand during the Purcell basketball game.

**"W" CLUB OFFICERS** are Darrell Crittenden, Vice Pres.; Dan Wade, Sergeant at Arms; Pat Miner, Pres.; Mike Secrest, Treas.; Tommy Fairbanks, Sec.

**MEMBERS OF THE "W" CLUB ARE:** Coach Glenn Secrest, Mike Secrest, Tommy Fairbanks, Pat Miner, Steve Walker, Ronald Notah, Darrell Hill, Danny Stidham, Donnie Wade, Gary Stephens, Robert Brown, Darrell Crittenden, Mike Joyce, Bobby Thomas, Bobby Stidham.



**RONALD NOTAH** and Jimmy Alison work the stand selling popcorn and cokes for the W club.

Trophy cases in the first floor hall are filled with many reminders of past and present glories — football, basketball, band, speech and scholastic trophies tell of many honors won by our school.

Honors may come through team effort or individual achievement. But, every honor is the result of an outstanding accomplishment that enriches the individual and reflects his pride in his school.

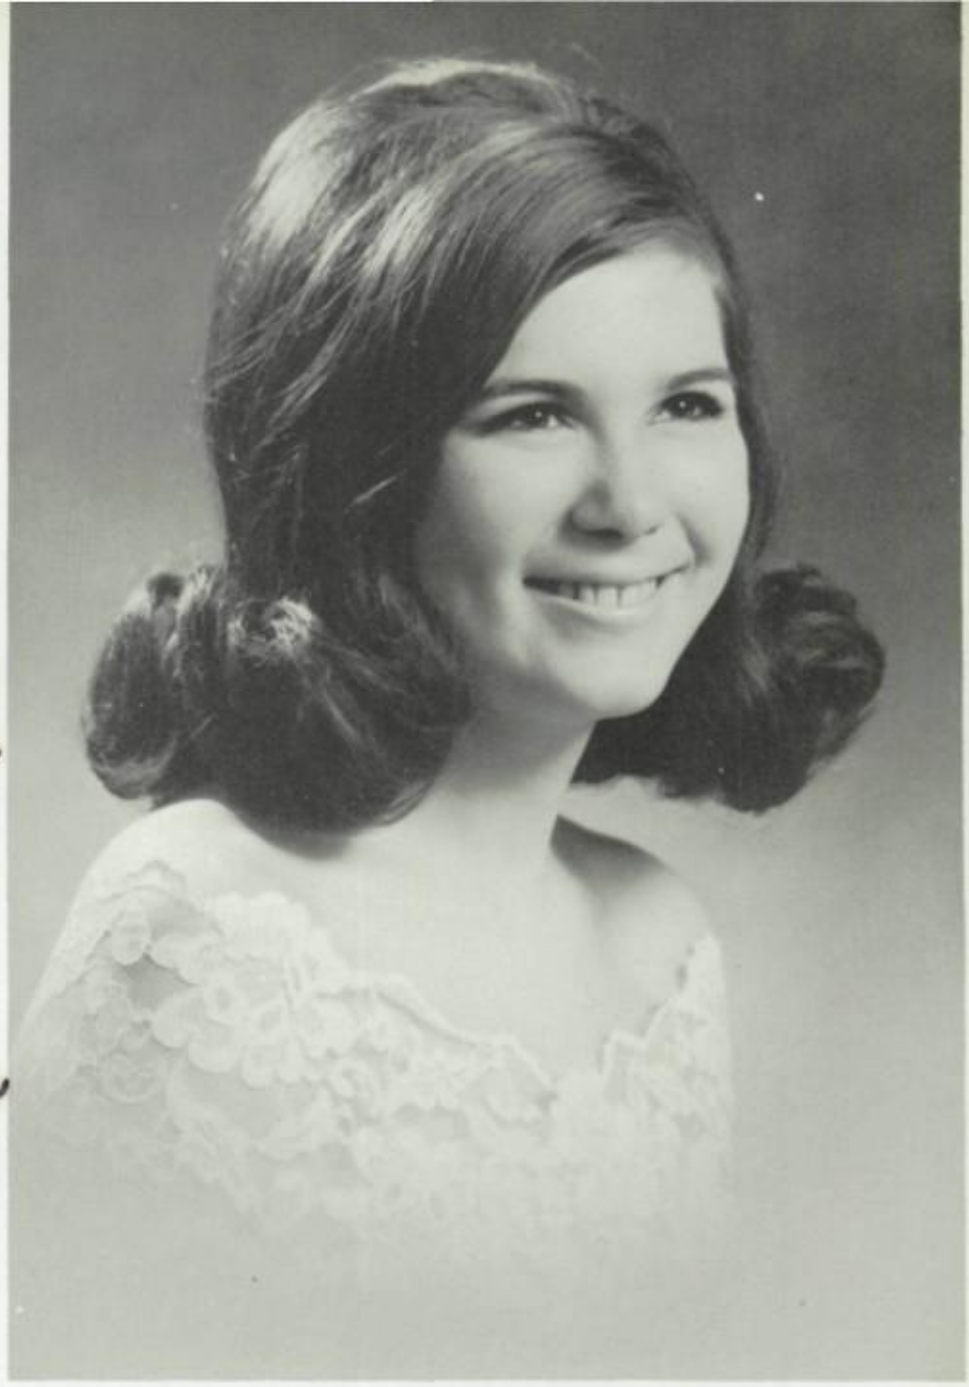
Jeary Smart

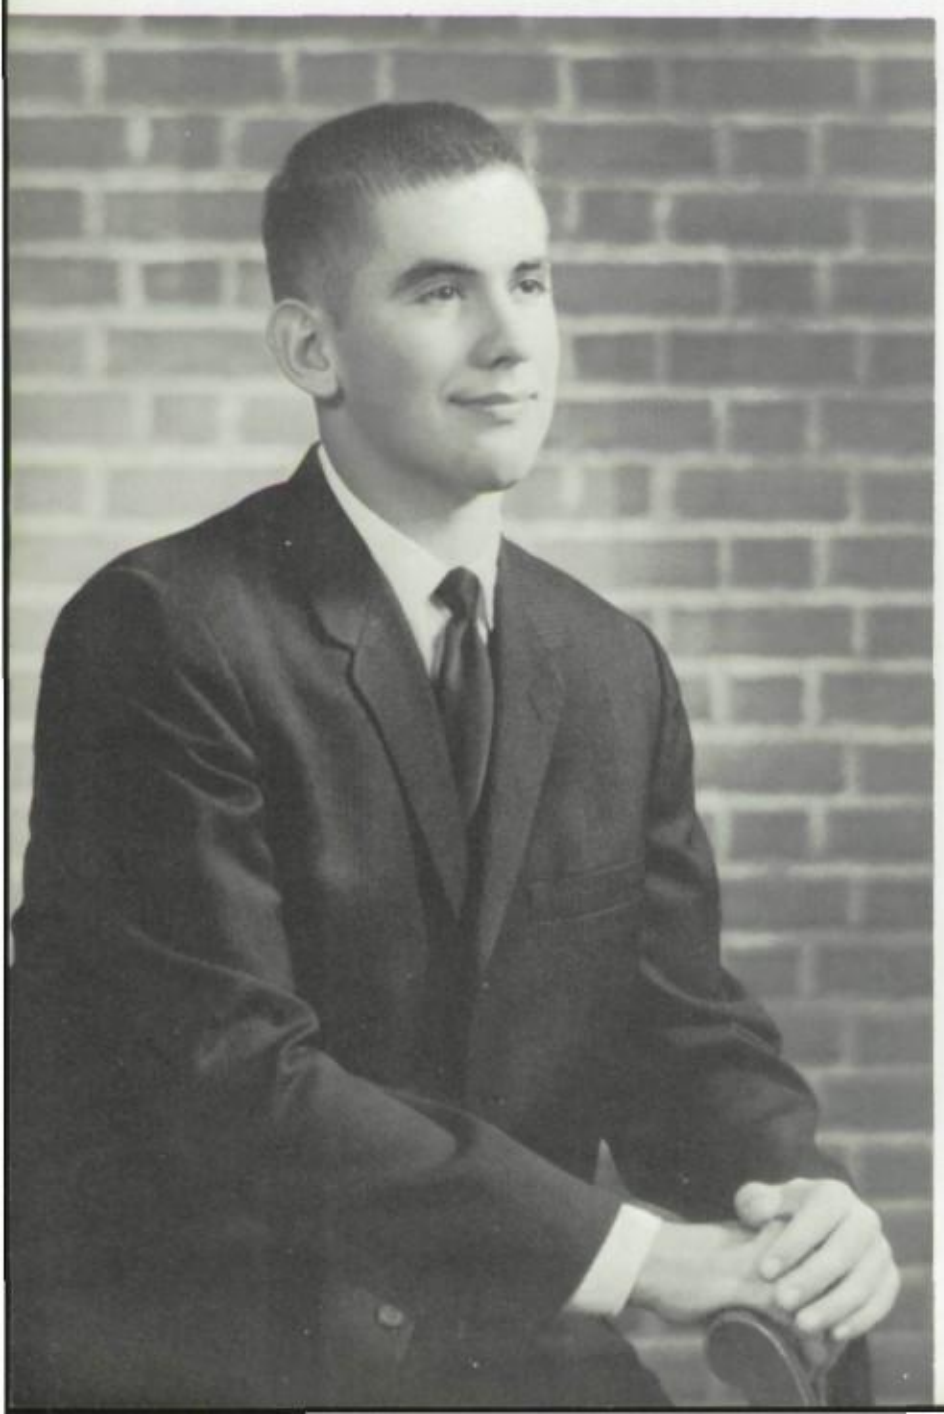
Mrs. Lollis,

I can't tell you how much you've meant to me the last two years! I'll always remember the things you've done for me. We've sure had lots of fun in Home Ec. and 2 HR. It just wouldn't be the same without you and your wonderful work! I don't think any other teacher has as much influence in this school than you. You're really a wonderful person and teacher and I speak for all of when I say "we love you!"

Love,
Jeary



Mel Clark



One of the highest honors that can come to a student is to be a member of the "Yearbook Royal Family." Early in the year each class chooses a nominee for King and a nominee for Queen. The King is elected through year book sales; the candidate of the class selling the highest percentage of books reigns. This contest usually runs for about two weeks. The classes do everything from selling pop bottles to washing cars, from baby sitting to rummage sales to earn money to support their candidate.

# Sophomore Attendants

Bob Berg

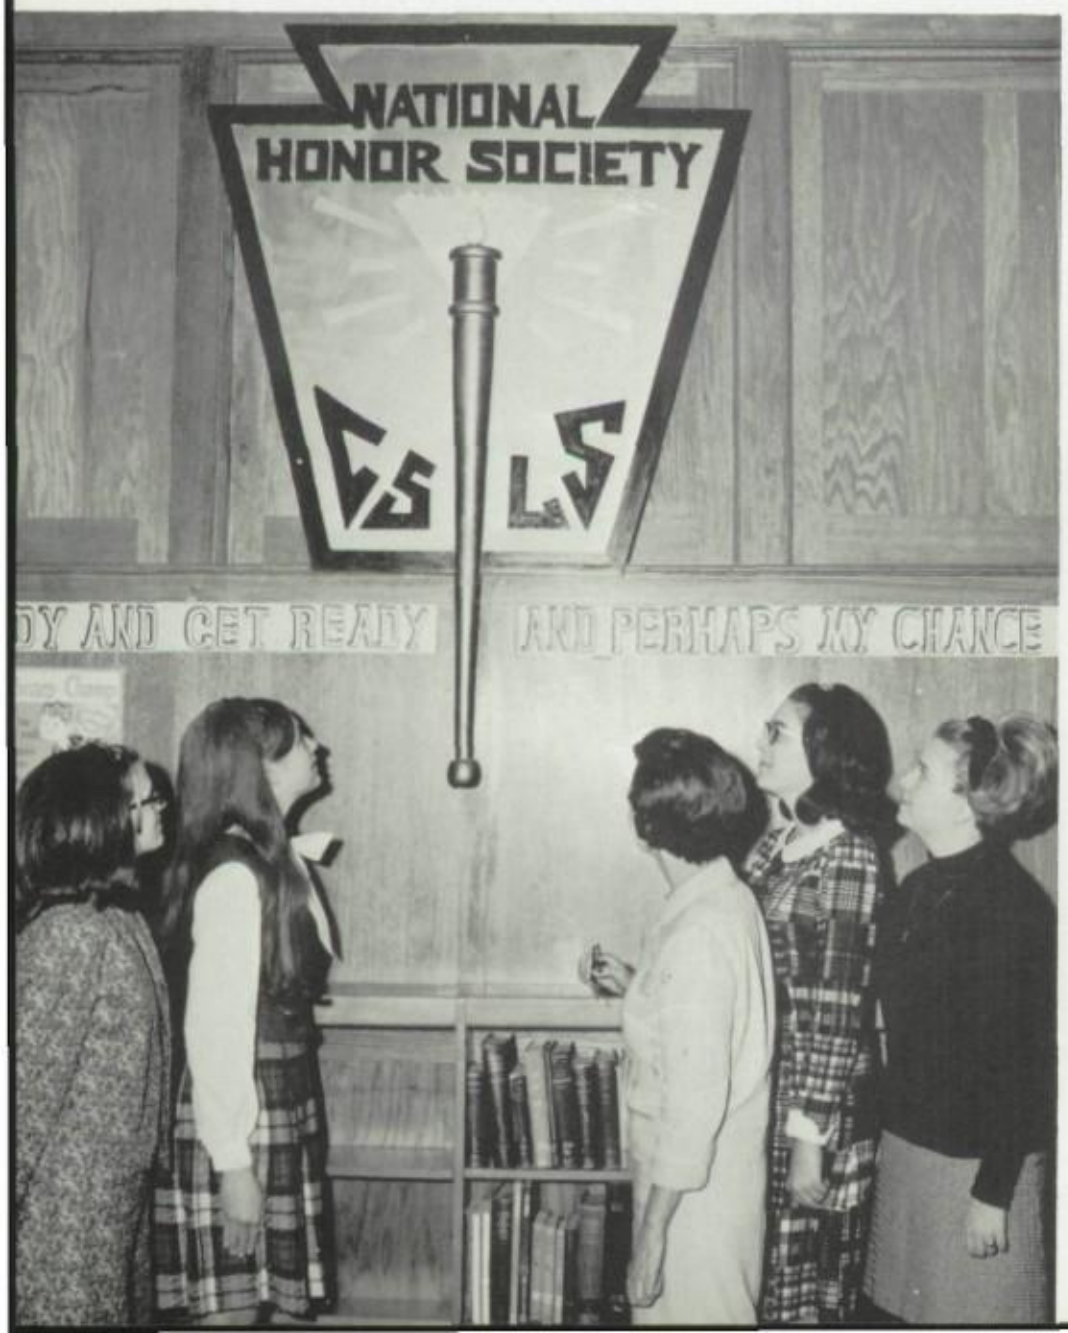
Debbie Martin

The Queen is selected by a qualified person outside the school. The candidate is judged on beauty, scholarship and service to her school. A picture, transcript, and a list of school activities for each girl are sent to the judge.

This year, Miss Jane Jayroe, last year's Miss America from Oklahoma, judged the Queen candidates. After judging them she wrote, "I didn't treasure making the decision; it was difficult for me because they were all so pretty."

**MEMBERS OF THE NATIONAL HONOR SOCIETY** are **First Row:** Leah Cohen, Sharron Coley, Cindy Hargrave, Glenda Beshears, Chris Aubrey, Jeary Smart, Debbie Martin, and Mrs. Adelia Kilcrease, sponsor; **Row 2:** Deborah Azlin, Patty Sanders, Joyce McCoy, Susan Cochran, Glenda Barrett, Peggy Campbell, Elizabeth Guild, Janet Hague, and Linda Ryles; **Row 3:** Larry Smith, Mel Clark, Danny Criswell, Carol Dingler, John Cooper, Geary Azlin, and Steve Walker.

**THE OFFICERS** of the National Honor Society are Glenda Beshears, president; Janet Hague, vice-president; Mrs. Kilcrease, sponsor; Carol Dingler, treasurer; and Susan Cochran, secretary.



# State and Honor

One of the highest honors a student can receive in high school is membership in one of the honor societies.

The State Honor Society is limited to the top ten percent of the student body in scholarship. To attain this honor this year the student had to have a very high grade point. The lowest grade point was 3.4 on a four point scale.

Membership in the National Honor Society is limited to ten percent of the senior class, five percent of the junior class, and five percent of the sophomore class. To be eligible a student must have a B or above grade average with no grade below a D. The students grades of the second semester last year and the first semester of this year determine his eligibility.

**MEMBERS OF THE OKLAHOMA HONOR SOCIETY** are **First Row:** Leah Cohen, Sharron Coley, Cindy Hargrave, Mary Franklin, Glenda Beshears, LaNell Page, Chris Aubrey, Jeary Smart, and Mrs. Adelia Kilcrease, sponsor; **Row 2:** Deborah Azlin, Patty Sanders, Joyce McCoy, Deborah Ensminger, Mary Douglas, Gay Morgan, Peggy Campbell, Lana Logan, Elizabeth Guild, Janet Hague, and Linda Ryles; **Row 3:** Larry Smith, Mel Clark, Danny Criswell, Ricky Butner, Mark Southerlyn, Bob Berg, John Cooper, Geary Azlin, and Steve Walker; **Row 4:** Debbie Martin, Glenda Barrett, Susan Cochran, Barbara Pamplin, Jenny Goodrich, Linda Massey, Carol Dingler, and Patsy Sheffield.

# National Societies

## Scholarship

Teachers evaluate every eligible student on character, service, leadership and growth. Evaluations and grades are of equal value; the combined scores determine membership.

**PREPARING** for the National Honor Society Tea are members Glenda Barrett, Leah Cohen, Deborah Azlin, Larry Smith, Danny Criswell, and John Cooper.

**CO-VALEDICTORIANS** of '68 are **Glenda Beshears** and **Steve Walker** with identical grade points — 3.9. Glenda is an active member of band and is editor of the school newspaper, The Little Tiger. Steve is an active speech and debate student. He was a foreign exchange student to Sweden last year.

**CAROL DINGLER** is salutatorian of the '68 class with a grade point of 3.8. Carol is an outstanding speech and drama student. She received the DAR Citizenship Award.

**SERVING TOGETHER** this year is **Debbie Filson** who is the FFA Sweetheart and **James Stafford** who is the FHA Beau.

**DINDA TATE** is the Homemaker of Tomorrow for Wewoka High School. Dinda won this title by scoring highest in a written examination sponsored by General Mills.

Sophomore, junior, or mighty senior, semester tests treat all the same. Although class competition is keen in poster contest, king contest, and intramural games, class cooperation can be great for all football games, basketball games and Katcu-tal.

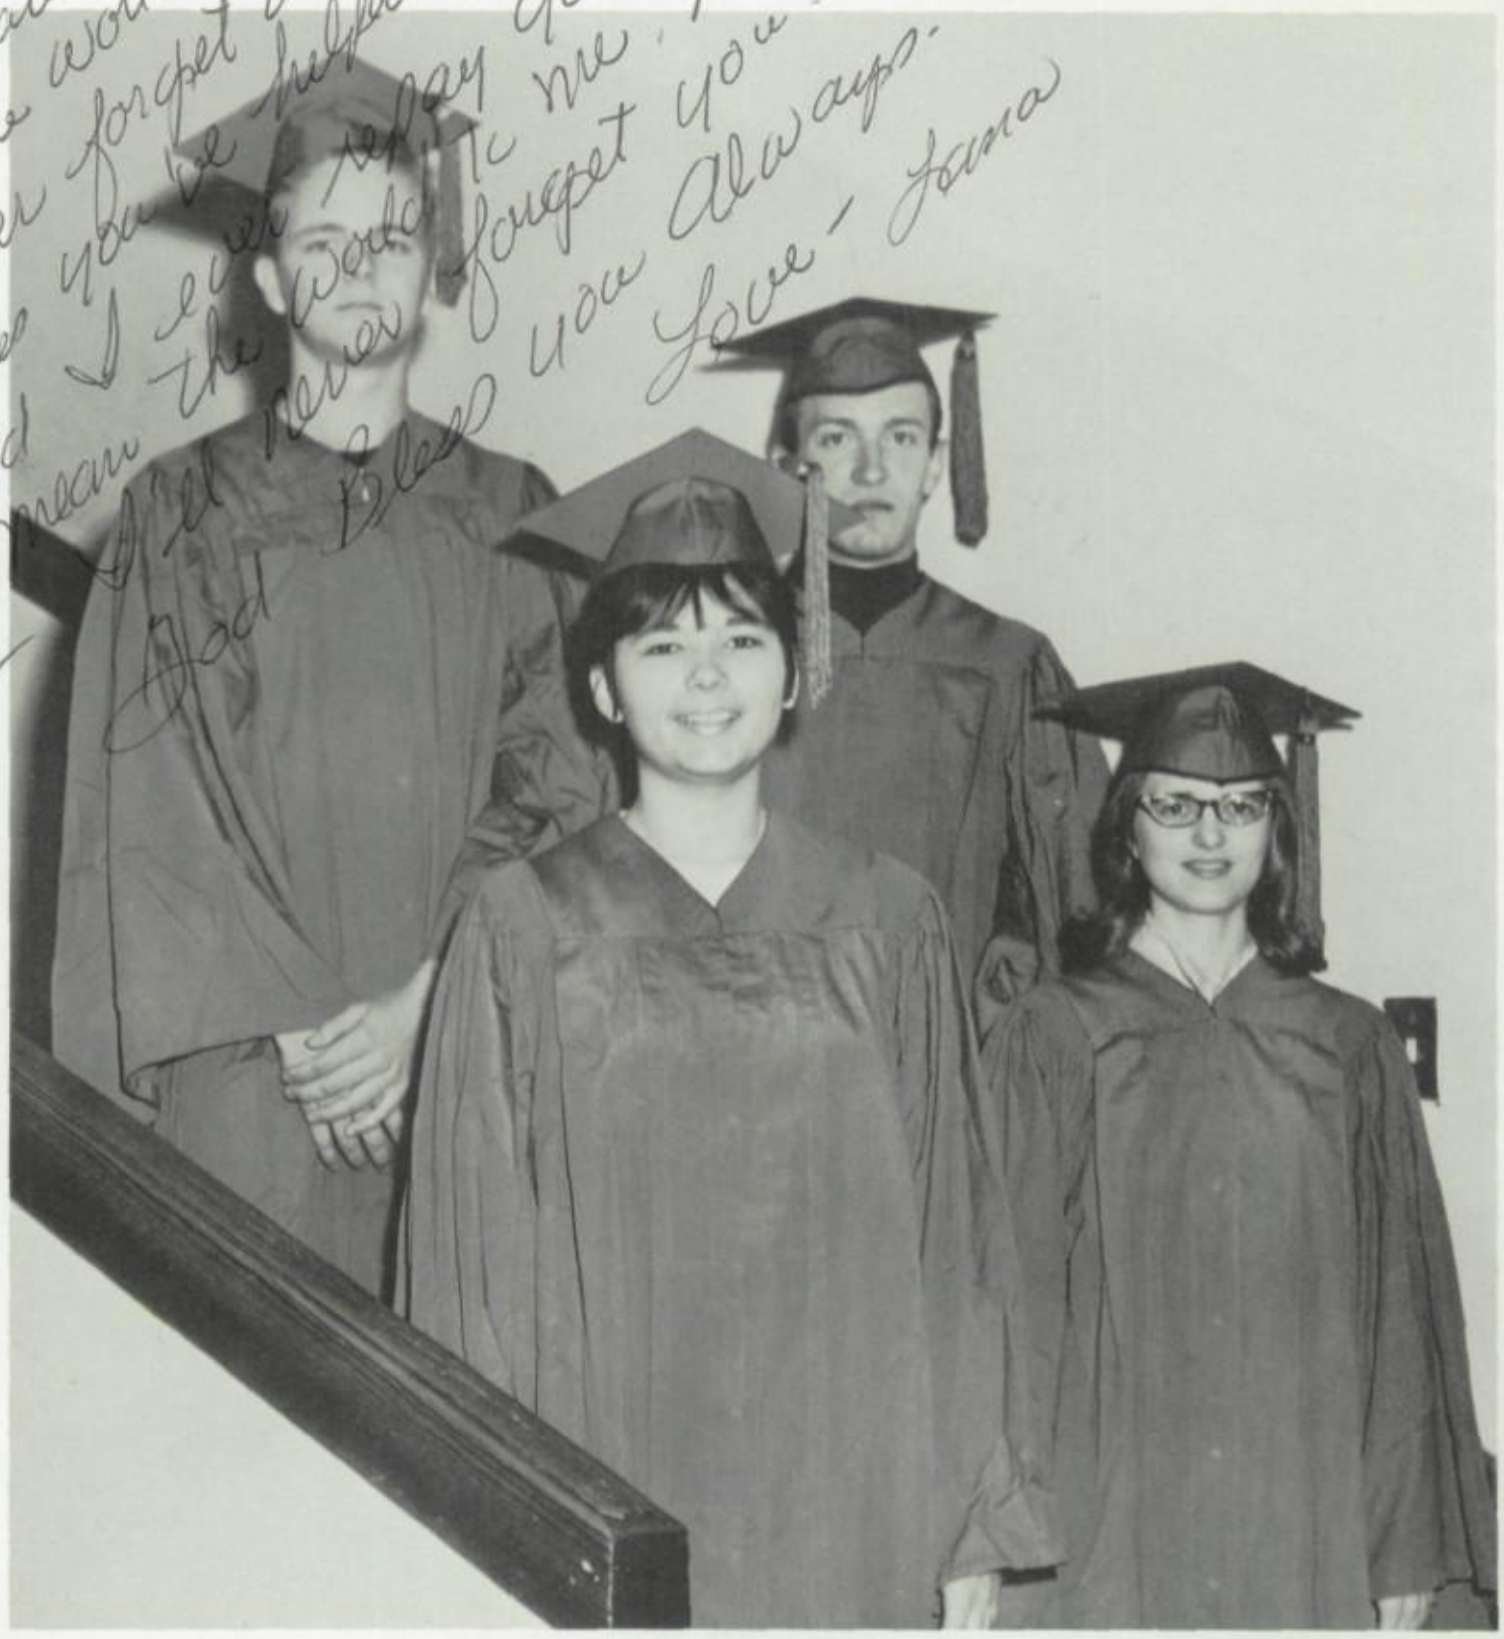
Twirp week is one of the busiest weeks in the school year. During this week the girls must escort the boys and pay and provide transportation for all dates.



The big picture of '67-'68 is completed as seniors in cap and gown prepare to enter the auditorium for the last time as students.

We have tried to picture for you the many things that have molded this year and made it unique. The year is gone, but the memories the picture invokes will be with us forever. Wherever we go, whatever we become, this year is a part of us, and a part of our hearts is forever here.
